Topics of Interest (not restricted to):

- Machine Intelligence
- Machine Learning & Reasoning
- Case-based Reasoning
- Computer Vision
- Image Processing
- Pattern Recognition
- Deep Learning
- Medical Image Processing
- Medical Informatics
- HCI
- Biomedical Systems
- Robotics & Mechatronics
- Automation & Control Systems
- Biometrics
- Intelligent Transportation Systems
- Cybernetics
- Computational Intelligence
- Soft Computing
- Fuzzy systems
- Signal Processing
- Healthcare System
- Sensors & Embedded Systems
- Big data
- Cloud Computing
- Engineering for Unreached People
- Smart-house

Keynote / Invited Speakers:

- Prof. Dr. Alamgir Hossain, Anglia Ruskin University, UK
- Prof. Dr. Shahida Rafique, IST, BD
- Dr. Shahina Begum, Malardalen University, Sweden
- Dr. Nazmul H. Siddique, Ulster University, UK
- Dr. Mobyen Uddin Ahmed, Malardalen University, Sweden
- Prof. Dr. Moshikul Haque, CUET, BD
- Prof. Dr. Khondokar Siddique-e-Rabbani, University of Dhaka, BD
- Ifty Islam, CEO, Biom, BD

Panel Discussion:

Topic: "AI Applications for the Developing Countries"

Discussants:

- Prof. Dr. Mohammad Shorif Uddin, Jahangirnagar University, BD
- Dr. Md. Khalilur Rhaman, BRAC University, BD
- Abu Issa Mainuddin, Head of mHealth, GP, BD
- Reduan Hasan Khan, Head of IoT, GP, BD
